## Medication Reminder

Dear Parent/Guardian,

Please remember to pick up your students medication before the end of the school year. We are obligated to discard it if not picked up by the last day of school. We are not permitted to send medication home with the student.

Thank you,  
Nursing Services

## Health Office Reminder

If you have an incoming 6th grade student for the 2017-18 school year they will need to have current middle school vaccinations.

Also, all 7th and 8th grade students that haven't received their Tdap or any other required vaccination please bring any updated vaccination record to the health office.

### Where can you get this immunization?

- Your child's primary care physician
- Mesa County Health Department, 248-6900  
The Community Services Building (29 ½ Rd. and North Avenue)  
510 29 ½ Rd. Grand Junction
- Many local pharmacies

Colorado state law requires Tdap vaccination for all 6th graders and older. This is an additional requirement, even if your child was up-to-date with all vaccinations when they entered kindergarten. Tdap is a Tetanus, diphtheria, and pertussis booster. It provides the added protection of pertussis (whooping cough) to the standard Tetanus booster.

# BMS April Artist of the Month

Written by: M.E. F and Abigail F

Our new artist of the month is Nykyta Shulisk. Nykyta was inspired to do art because she watched her sister become an artist. At only eight years old Nykyta realized that art was one of her passions. Her favorite artist is Vincent Van Gogh. On her spare time Nykyta enjoys doodling and her favorite types of art are oil pastels and clay. Her favorite art piece that she has done is an oil pastel.

## Attention Current 7th Grade Students and Parents

Announcing the Washington, DC/New York City 8th grade trip for 2018 with Mrs. Coleman! Your student will be receiving an information flyer the first week of April about the exciting upcoming student travel opportunity to Washington, DC and New York City. Tentative travel dates are June 2-June 6, 2018. Students will be immersed in American history ranging from; from patriotic memorials to national parks, from Washington Memorial to the 9/11 World Trade Center memorial, from the Arlington National Cemetery to Central Park, and from the Holocaust Museum to Time Square. Students will not only watch a Broadway show they will walk through the halls of Congress and to the White House! There is so much to see and do! I am having a brief **Parent Information** meeting on April 11, 2017 at 6:30 in room #139. Please come hear and see about this fun and amazing opportunity for your student! Contact Mrs. Coleman for any information at [catheran.coleman@d51schools.org](mailto:catheran.coleman@d51schools.org)

Call today to schedule a free consultation!

Parents,

District 51 has invested in a district-wide communication system (called SchoolConnects) that will allow all schools and the district to contact you regarding important news, events, and emergency or safety-related situations. Schools and the district can only send texts to phones who have subscribed to receive the messages. If you want to receive SMS text messages from the school or district, you must first do the following:

1. Ensure that your child’s school has your cell phone listed in the student database under “Mobile”.
2. From the SMS-capable telephone where you want to receive the text messages, text the word Join to the number 56360. If our messaging system finds a match for your phone number in its database, you receive a confirmation message thanking you for joining school alerts. If our messaging system does not find a match for your phone number in its database, you will receive a message that the number could not be found, and then you should contact the school to add the number to the school’s Student Management System.

In order to receive the quickest and most accurate information in an emergency situation, parents need to be sure that all home phone, cell phone and email addresses are up-to-date in the student information system, Synergy. Contact the school office if you have any questions. The texts, calls and emails will only go to those families who have those fields filled in in the database.

Should you have any questions about this new service or other emergency communications, don’t hesitate to call Communications or Tim Leon in Safety at 254-5100.

## COLLEGE EDUCATION CONSULTING, LLC

### Are you willing to make a \$200,000 gamble?

The average cost of 4-year public college is \$112,000; for private college, its \$236,000. Next to buying a home, post-secondary education is the most expensive investment a family will make. Yet many students leave it up to chance in finding the right college. Luck is not a plan. Let me help you find your “Best-Fit” colleges. Local, honest, experienced.

Kirk Golba
